

MASEFIELD NEWSLETTER

1ST OCTOBER 2026

We are now well into the Autumn term, and there is a fantastic buzz around Masefield. The excitement of those first few days has developed into purposeful routines, confident learners and classrooms full of children who are settled, engaged and ready to learn. Walking around school, it is wonderful to see children building their knowledge, challenging themselves and enjoying everything that school life has to offer. The last fortnight has certainly been a busy one! One of my favourite moments of the year is always our House Sorting Ceremony, and our Year 1 pupils and children who are new to Masefield have now discovered which house they will belong to. Being part of Amistad, Isibindi, Rêveur or Sollevare gives our children a sense of identity and belonging that stretches right across the school. We built on this with our first Spirit Day of the year, when children from Years 1-6 came together in their house teams for the morning. They explored the story and values behind their house, learned their songs and chants, and began planning how their team can make an impact throughout the year. We also selected our new House Captains, who now have the exciting responsibility of helping to lead and inspire their teams.

Pupil leadership is already flourishing in other areas too. Our new School Council representatives have been democratically elected by their classmates and have already enjoyed a fantastic visit to Bolton Town Hall, where they had the opportunity to meet the Mayor of Bolton. We are looking forward to seeing them represent the voices of their classmates and make a real difference across school this year.

There has been plenty happening on the sporting front too, with pupils representing Masefield in cross country and rugby. As always, we are incredibly proud of every child who puts on a Masefield kit and represents our school with determination, teamwork and pride. We have also welcomed parents into school for our Phonics Workshops, helping families understand how we teach children to read and how they can support learning at home. Thank you to everyone who joined us.

Another exciting addition has been the start of our Therapy Dog Reading Sessions. These sessions provide another opportunity to develop children's confidence and enjoyment of reading, and we are looking forward to seeing them become an established part of school life. Finally, we are incredibly excited that Masefield has been selected as one of only 50 schools nationally to pilot Number Phonics. This new approach supports children in developing secure foundations in early mathematics through carefully structured routines, mathematical language and small steps in learning. It is another exciting opportunity for Masefield to be at the forefront of developing practice while giving our children the very best start to their mathematical journey.

When you put all of this alongside the fantastic learning taking place in every classroom each day, it is incredible to think that we are still only in the first half term! Our children continue to make us immensely proud, and we are excited to see where the rest of the year takes us.

Thank you, as always, for your continued support and partnership as we work together to ensure every child can Believe, Achieve and Succeed.

IN THE SPOTLIGHT THIS WEEK...

MASEFIELD SCHOOL COUNCIL

Our School Council had a very special opportunity this week as they visited Bolton Town Hall to meet the Mayor of Bolton. They had the chance to explore the Town Hall, learn about the role of the Mayor and discover how decisions are made and communities are represented across Bolton.

It was a fantastic opportunity for our School Council to make connections with their own important role at Masefield and as always they represented Masefield brilliantly, asking thoughtful questions, listening carefully and showing great confidence throughout the visit.

A huge thank you to the Mayor of Bolton for welcoming us and giving our children such a memorable experience.
Pupil leadership in action!

VISION AND VALUE AWARD WINNERS

We are so proud of these children, who always demonstrate our core values!

CELEBRATING SUCCESS

Each week, we celebrate success in Good News Assembly. Don't forget to bring your amazing achievements to share!

HIGHLIGHTS

PHONICS SESSIONS

A huge thank you to all of our Reception & Key Stage 1 parents and carers who joined us for our Phonics Workshops this week.

It was fantastic to welcome so many of you into school and share how we teach children the vital skills of reading and phonics at Masefield. Working together between home and school makes such a difference. We hope the sessions gave you a useful insight into what phonics looks like at Masefield, as well as some practical ideas for supporting your child's reading journey at home.

Thank you again for giving up your time to join us and for your continued support so our children become confident and avid readers.

PLAYGROUND BUDDIES

This week our new Playground Buddies took up their important roles & were on hand to help everyone have fun, make friends and play safely during break and lunchtimes. Whether someone needs a friend to play with, help joining a game or sorting out a small problem, our Playground Buddies will be ready with a smile and a helping hand. Their kindness helps make our playground a happy, welcoming place for everyone.

SCHOOL CLUBS

SHOUT OUTS

A BIG welcome back to Merlin, our Pets As Therapy dog, who came in to listen to the children read.

Merlin and Mrs Greenhalgh will now be joining us every Monday afternoon, working with a different class each term and giving children another special way to enjoy books and develop their confidence as readers.

Another way we're continuing to build a love of reading for pleasure across Masefield.
Thank you Merlin.

MEDICAL APPOINTMENTS

Medical appointments should be made outside of school hours where possible. Where it is not possible, you must notify the office in advance. Taking your child out of school is disruptive for the class and impacts your child's learning and attendance.

If there are concerns about how much time your child is missing, proof of medical appointments will be required.

TERM TIME HOLIDAYS

Holidays must not be taken during term time as this has an extremely detrimental effect on your child's education. A fixed penalty notice is the least of the costs; it is the impact on your child's future educational success that presents the greatest cost.

We urge you to prioritise the long term benefits of regular school attendance over the short term impact of a holiday.

SCHOOL COUNCIL CORNER

LITTLE CHATS BIG RIGHTS

RIGHTS
RESPECTING
SCHOOLS

We're proud to share that we as a School Council are working towards achieving the Rights Respecting Schools Award and can share that we are progressing well and have now been awarded the Bronze Unicef award!

This means we are embedding our learning on children's rights as set out in the United Nations Convention on the Rights of the Child and thinking about how these rights are respected in our school.

Each newsletter will include a short discussion point focusing on a different Article, giving families the chance to talk together about children's rights and what they mean in everyday life.

The focus for this fortnight is taken from

Article 24 – Right to health, food, and clean water

Why is it important that all children around the world have access to clean water, healthy food, and medical care?

THE BASE

Watch this space for more information on when the BASE will open for business!

Don't forget to share any ideas you have of how we can make Masfield even better with your class representative.

MASEFIELD MINDS

Big questions.
Brilliant conversations.

Think it.
Talk it.
Explain it.

At Masefield, we want every child to become a Confident Communicator. Our Masefield Minds questions are designed to get families thinking, talking and sharing their ideas together.

There are no right or wrong answers. Encourage your child to explain why they think something, listen carefully to other opinions and see if anyone can persuade them to change their mind!

TALK TOGETHER

Early Years

If animals could talk, which animal would be the funniest to have a conversation with?

Key Stage 1

Would you rather have a button that could make it snow whenever you wanted or make the sunshine whenever you wanted?

Lower Key Stage 2

If you could add one new rule that everybody in the world had to follow, what would it be and why?

Upper Key Stage 2

Which is more important: being really good at something or enjoying doing it?
Can you have one without the other?

Try asking each other: "Why do you think that?",
"Can you give me an example?" or "Can you convince me?"

You might be surprised where one simple question takes your conversation!

Big questions. Brilliant conversations.
Think it. Talk it. Explain it.

SAFETY PRACTICES AT MASEFIELD

At school, the safety and wellbeing of all children is always our highest priority.

Throughout the year, we regularly practise both evacuation and invacuation procedures so that children and staff know exactly what to do in different situations

WHAT IS AN EVACUATION?

An evacuation is when everyone leaves the building safely and calmly, for example in the unlikely event of a fire alarm.

WHAT IS AN INVACUATION?

An invacuation is the opposite of an evacuation– it means children and staff move inside the building and remain indoors safely if there is ever a concern outside the school grounds.

These procedures are practised in a calm, age-appropriate way so that children feel confident and reassured.

Staff carefully guide pupils through each practice, helping them understand the importance of listening, staying calm and following instructions.

By rehearsing these routines regularly, we can ensure that everyone is prepared and able to respond quickly and safely should the need ever arise.

TOP TIPS

FOR YOU AND YOUR CHILD

ONLINE SAFETY

Location Sharing

This week's free online safety guide focuses on location sharing.

Many apps, games and social media platforms can access a device's location. Some features allow children to share where they are in real time, while photos and posts can also reveal clues about their location, such as school uniforms, street names, landmarks or regular routines. Children may not realise how much information they are sharing or who could potentially see it.

What parents can do:

- Check the location permissions on your child's device and turn them off for apps that do not genuinely need them.
- Make sure social media and gaming accounts are set to private and discuss why children should avoid sharing their school, home address or current location online.
- Encourage your child to think before posting: Could this photo or message tell someone where I am or where I regularly go?

SAFEGUARDING

Halloween and Trick-or-Treating Safety

With Halloween approaching, it is a good time to remind children how to stay safe whilst enjoying the celebrations.

- Stay together – younger children should always be accompanied by a responsible adult when trick-or-treating.
- Be visible – reflective clothing, lights or torches can help drivers and other road users see children in the dark.
- Stay on familiar routes – use pavements and safe crossing points, and avoid entering unfamiliar homes.
- Check treats – children should wait until they get home before eating treats so an adult can check them, particularly where allergies are a concern.
- Respect others – only visit homes that are clearly welcoming trick-or-treaters and remind children that not everyone celebrates Halloween.

A few simple precautions can help make Halloween a fun, enjoyable and safe occasion for everyone.

SUPPORTING LEARNING

Learning to Read – Our Phonics Scheme

Each week we will share a video to support your understanding of our phonics scheme.

Reading at Home

'If you cannot read, you cannot learn. If your child cannot read, their progress in all other subjects will be curtailed. There is no such thing as reading too much!'

Maths

White Rose Maths have FREE downloadable booklets for each year group block. You can download them here:
<https://whiterosemaths.com/parent-resources>

All of our parent workshops are available to watch on the school website

SUSTAINABILITY

Recycle Right

Take a moment to check what can and cannot go in your household recycling bin. Rinsing containers, flattening cardboard and keeping food waste out of recycling can help ensure more materials are successfully recycled. Get children involved by making sorting the recycling a regular family job – a simple way to build sustainable habits from an early age.

CHARACTER CURRICULUM

WHAT IS IT?

Our character curriculum is at the core of what is important to us and we aim to provide a wide range of learning opportunities and experiences. It is our desire that children and their families value their learning and seize all and any opportunity wholeheartedly, therefore we aim to ensure the offer to learn is strong in every classroom.

We aim to develop our pupils' characters through the growth of relationships that define us as human. Through our curriculum, we develop a set of competencies (behaviours) which enable each and every one of our pupils to lead a remarkable life.

Building character at home

Prepare and cook a meal with an adult	Join an out of school team / club	
Complete a crossword	Decorate my home for a special occasion	
Tell the time	Visit a museum	
Keep a diary	Keep my bedroom tidy	
Visit the beach	Ask an adult if they need help with a chore	
Peel vegetables with an adult	Visit a charity shop	
Do the washing up	Set the table and tidy the dishes away	
Get my uniform ready	Get myself ready for school without reminders	
Plan a meal	Read to somebody younger than me	
Play a board game	Tell somebody at home why I am grateful for them.	

Building character at school

Know 5 capital cities of the world	Take part in forest school	
Achieve Reader of the Week award	Receive the Kindness Lanyard and pass it on	
Name all 7 continents	I will represent Masefield at an out of school event	
Learn a Spanish song	Take part in a Rock Kidz concert	
Take part in a school competition	Name 5 different children's authors.	
Watch a production	Score 10/10 on my weekly spelling test	
Attend a whole school trip	Recommend a book to a friend	
Achieve the Lead Learner award	Know my 3, 4 and 8 times tables	
Visit a Temple	Design and sew my own bag in DT	
Visit Bolton Museum	Name 3 famous composers.	

WHY IS THIS IMPORTANT?

Each year, you will be issued with a 'Believe – Achieve – Succeed' character curriculum passport. Experiences are planned into the school curriculum as well as home learning. The experiences involve problem solving, research and most importantly life skills, which are all fundamental for pupil wellbeing.

Children are equipped with the skills and character to lead a successful life! Children will be encouraged to self-assess their competencies and their progress on this will be recorded in their passports. Academic achievement will increase as children will be more able to overcome difficulties and will value their education; behaviour will improve as children are more able to self-regulate and work with others and attendance will improve as families see the increased value of a healthy lifestyle and the importance of education.

SHARE YOUR SUCCESS

Don't forget to tick off your successes and share them with us on our social media sites, or send a ClassDojo message to your teacher!

Dear parents,
Places are now available to join a new 12-week football course every Thursday at St James' High School, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is FUN through football; building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a ball per player for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Preston North End, Blackburn Rovers, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan.

The cost of the course is just £6.67 per week, which is payable in two instalments. The first payment of £30 is due when booking your child on and the second payment of £30 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

****NEW TOURNAMENT FORMAT****
Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including: Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone:
