MESSAGE FROM
MR DONE

15TH OCTOBER 2026

As we approach the October half-term break, I find myself reflecting on what has been an absolutely fantastic start to the academic year at Masefield Primary School. The past seven weeks have flown by, and I could not be prouder of everything our children have achieved. From the wonderful learning taking place in classrooms to the incredible opportunities beyond them, our pupils continue to demonstrate the enthusiasm, determination and positive attitudes that make Masefield such a special place.

Walking around school each day, it is a genuine pleasure to see just how much our children have developed since September. Classrooms are full of purposeful learning, thoughtful discussions and those wonderful 'lightbulb moments' when new knowledge suddenly clicks into place. Children are growing in confidence, developing their independence and building strong friendships. It is these everyday moments, alongside the bigger celebrations, that remind us why we do what we do.

The last fortnight has been packed with memorable experiences and achievements!

One of our sporting highlights has been the Bolton Cross Country Championships, where Masefield finished an incredible 3rd overall across all schools in Bolton, with our girls' team securing 1st place! What an outstanding achievement! We are immensely proud of every child who represented our school, showing determination, resilience and fantastic sportsmanship. Our children have also participated in the Panathlon, another brilliant opportunity to experience inclusive sport, develop teamwork and celebrate what can be achieved when we work together.

We have also enjoyed three wonderful Harvest Festivals, with performances from Reception and Key Stage 1, Years 3 and 4, and Years 5 and 6. The quality of singing, confidence and oracy demonstrated by our children was simply superb. Standing in front of an audience, speaking clearly and performing together takes courage, and our pupils certainly rose to the occasion. Thank you to all our families who attended and supported our Harvest celebrations, particularly through your generous donations to Urban Outreach Food Bank. It is wonderful to see our school community coming together to make a positive difference to those who need it most.

Our Year 3 pupils also enjoyed a fantastic trip to Bolton Museum, supporting their History learning about Samuel Crompton. Experiences like these are so valuable in bringing the curriculum to life, allowing children to connect their classroom knowledge with the rich history of our local area.

We also came together to recognise Hello Yellow Day, raising awareness of children's mental health and the importance of talking about our feelings, supporting one another and knowing that it is okay to ask for help. At Masefield, we firmly believe that children's wellbeing and sense of belonging are fundamental to their success, both in school and beyond.

This commitment to wellbeing is reflected in the support we provide every day. Our Therapy Dog Reading Sessions with Merlin continue to be a wonderful addition to school life, helping children develop their confidence and enjoyment of reading in a calm and supportive environment. Our Thrive Approach sessions, led by Mrs Willett and Miss Harris in The Nest, continue to provide valuable opportunities for children to develop their emotional understanding, confidence and resilience. Alongside this, our weekly Listening Service, facilitated by John Kell from King's Community, offers children a trusted space to talk, reflect and feel heard. These are all important parts of our commitment to ensuring every child feels safe, valued and supported.

As we reach the end of our first half term, I want to say a huge well done to every single child at Masefield. You have made us incredibly proud. The progress you are making academically, socially and personally is a testament to your hard work, positive attitudes and willingness to embrace new challenges. I would also like to thank our wonderful staff team for their continued dedication and our families for the fantastic support and partnership you provide.

I hope all our children and families enjoy a wonderful, restful and well-deserved half-term break. Take time to relax, spend time together, enjoy new experiences and recharge ready for another exciting half term as we head towards Christmas. We look forward to welcoming everyone back after the break, ready to continue our journey of excellence together.

Believe. Achieve. Succeed.
Have a fantastic half term!

IN THE SPOTLIGHT THIS WEEK...

Year 3 trip to Bolton Museum - Samuel Crompton

To support their learning on Samuel Crompton and his impact during the Industrial Revolution, Year 3 enjoyed an exciting and educational trip to Bolton Museum. The children took part in a fascinating workshop where they discovered more about his life from artefacts held at the museum before looking at his invention of the Spinning Mule and how this helped transform the textile industry.

After lunch, the class headed out on a walk around Bolton town centre, spotting important landmarks and places connected to Samuel Crompton, including his grave site.

They had a fantastic day and were able to bring their history learning to life and discover more about the history right on their doorstep!

Well done Year 3!

CELEBRATING SUCCESS

Each week, we celebrate success in Good News Assembly. Don't forget to bring your amazing achievements to share!

HIGHLIGHTS

YEAR 6

Year 6 have had a busy and exciting half term with lots of hands on learning taking place! In Science, they have been delving into the circulatory system, where they bravely dissected sheep's hearts to explore their structure and then headed outside to model the journey of blood around the body, helping them to understand how the heart and circulatory system work together.

In History, they welcomed Jane from History Alive, who brought their WW2 learning to life with an engaging session about what life was like in Britain during the war. The children had the opportunity to examine clothing and a range of fascinating artefacts from this period.

In PSHE, they have been discussing what really matters to them, developing confidence in standing up for their beliefs and making their voices heard during assembly! A fantastic half term, we can't wait to see what goes on in Year 6 next!

SPORTING SUCCESS

This half term has been jam packed with sporting events and achievements. Well done to our Year 5 & 6 cross country team, who battled through some very muddy conditions, with Indie scoring first place in her race!

KS2 teams also took part in tag rugby events in Westhoughton and we have also seen the return of the Panathlon. As last years regional winners, we look forward to seeing how this years team progresses in the competition after securing bronze in the first round. Well done Masefield!

HELLO YELLOW

Thank you to everyone who came to school wearing something yellow for our #HelloYellow day on Friday in aid of Young Minds. This year marks their 10th anniversary of supporting children and young people with their mental health. In their words, 'Wear yellow and say hello as we celebrate 10 years of standing out, starting conversations and raising funds - so no young person feels alone with their mental health'. Thank you to everyone for taking part in this important cause.

MEDICAL APPOINTMENTS

Medical appointments should be made outside of school hours where possible. Where it is not possible, you must notify the office in advance. Taking your child out of school is disruptive for the class and impacts your child's learning and attendance.

If there are concerns about how much time your child is missing, proof of medical appointments will be required.

TERM TIME HOLIDAYS

Holidays must not be taken during term time as this has an extremely detrimental effect on your child's education. A fixed penalty notice is the least of the costs; it is the impact on your child's future educational success that presents the greatest cost.

We urge you to prioritise the long term benefits of regular school attendance over the short term impact of a holiday.

RIGHTS
RESPECTING
SCHOOLS

We're proud to share that we as a School Council are working towards achieving the Rights Respecting Schools Award and can share that we are progressing well and have now been awarded the Bronze Unicef award!

This means we are embedding our learning on children's rights as set out in the United Nations Convention on the Rights of the Child and thinking about how these rights are respected in our school.

Each newsletter will include a short discussion point focusing on a different Article, giving families the chance to talk together about children's rights and what they mean in everyday life.

The focus for this fortnight is taken from

Article 7 - Name and Nationality

Do you think every child has the right to have a name and belong to a country?
Why is this important?

THE BASE

Watch this space for more information on when the BASE will open for business!

Don't forget to share any ideas you have of how we can make Masefield even better with your class representative.

MASEFIELD MINDS

Big questions.
Brilliant conversations.

Think it.
Talk it.
Explain it.

At Masefield, we want every child to become a Confident Communicator. Masefield Minds gives families a chance to stop, talk and explore some big (and sometimes unusual!) questions together.

Remember, there isn't always a right answer. What matters is being able to share your ideas, explain your reasons and listen to what somebody else thinks.

TALK TOGETHER

Early Years

If you could build the best playground in the world, what would you put in it?

Key Stage 1

Would you rather be able to talk to animals or understand every language in the world? Why?

Lower Key Stage 2

If you could become an expert at one thing instantly, what would you choose and why?

Upper Key Stage 2

What is more important when something goes wrong: being able to say sorry or being able to put it right? Are they equally important?

This fortnight, try taking the conversation one step further.
Once everyone has shared their answer, ask:
"Has anything you've heard changed your mind?"

Being a confident communicator isn't just about speaking well — it's also about listening, questioning and being willing to think again.

Big questions. Brilliant conversations.

Think it. Talk it. Explain it.

SAFETY PRACTICES AT MASEFIELD

At school, the safety and wellbeing of all children is always our highest priority.

Throughout the year, we regularly practise both evacuation and invacuation procedures so that children and staff know exactly what to do in different situations

WHAT IS AN EVACUATION?

An evacuation is when everyone leaves the building safely and calmly, for example in the unlikely event of a fire alarm.

WHAT IS AN INVACUATION?

An invacuation is the opposite of an evacuation– it means children and staff move inside the building and remain indoors safely if there is ever a concern outside the school grounds.

These procedures are practised in a calm, age-appropriate way so that children feel confident and reassured.

Staff carefully guide pupils through each practice, helping them understand the importance of listening, staying calm and following instructions.

By rehearsing these routines regularly, we can ensure that everyone is prepared and able to respond quickly and safely should the need ever arise.

TOP TIPS

FOR YOU AND YOUR CHILD

ONLINE SAFETY

Online Safety Tip – Digital Footprints

This week's online safety guide focuses on digital footprints. Every time children use the internet, they leave behind a digital footprint. This includes the photos they share, comments they post, videos they upload and even the websites they visit. While children may think that deleting a post or message removes it forever, screenshots, saved copies and shared content can remain online. As children grow older, their digital footprint can influence how others see them.

What parents can do:

- Talk to your child about the importance of thinking before posting or sharing anything online.
- Encourage them to ask themselves three simple questions: Is it kind? Is it safe? Would I be happy for others to see it?
- Regularly review privacy settings together and remind children that once something is shared online, they may lose control over who sees it.

Helping children develop positive online habits from an early age will support them in becoming responsible digital citizens.

SAFEGUARDING

Firework and Bonfire Night Safety

With Bonfire Night approaching, it is important to remind children about staying safe around fireworks, bonfires and sparklers. While these celebrations can be exciting, they also present risks, particularly for younger children. Here are some simple safety reminders for families:

- Attend organised displays – public firework displays are generally safer than setting off fireworks at home.
- Keep a safe distance – children should always stay well away from fireworks and bonfires and follow the instructions of responsible adults.
- Be careful with sparklers – sparklers can reach extremely high temperatures. Children under five should never be given sparklers, and older children should only use them with close adult supervision.
- Dress appropriately – wear gloves when holding sparklers and avoid loose clothing that could catch fire.
- Talk about safety – remind children never to pick up used fireworks or approach fireworks that have failed to go off.

For further guidance, families can visit the Royal Society for the Prevention of Accidents (RoSPA) website for advice on enjoying Bonfire Night safely.

SUPPORTING LEARNING

Learning to Read – Our Phonics Scheme

Each week we will share a video to support your understanding of our phonics scheme.

Reading at Home

'If you cannot read, you cannot learn. If your child cannot read, their progress in all other subjects will be curtailed. There is no such thing as reading too much!'

Maths

White Rose Maths have FREE downloadable booklets for each year group block. You can download them here:

SUSTAINABILITY

Help Wildlife This Autumn

As the leaves begin to fall, consider leaving a small pile in a quiet corner of your garden rather than clearing everything away. Fallen leaves provide shelter for hedgehogs, insects and other wildlife during the colder months. You could also create a simple bug hotel using twigs, leaves and natural materials. These small actions help support biodiversity and teach children the importance of protecting the natural world around them.

CHARACTER CURRICULUM

WHAT IS IT?

Our character curriculum is at the core of what is important to us and we aim to provide a wide range of learning opportunities and experiences. It is our desire that children and their families value their learning and seize all and any opportunity wholeheartedly, therefore we aim to ensure the offer to learn is strong in every classroom.

We aim to develop our pupils' characters through the growth of relationships that define us as human. Through our curriculum, we develop a set of competencies (behaviours) which enable each and every one of our pupils to lead a remarkable life.

Building character at home

Prepare and cook a meal with an adult	Join an out of school team / club	
Complete a crossword	Decorate my home for a special occasion	
Tell the time	Visit a museum	
Keep a diary	Keep my bedroom tidy	
Visit the beach	Ask an adult if they need help with a chore	
Peel vegetables with an adult	Visit a charity shop	
Do the washing up	Set the table and tidy the dishes away	
Get my uniform ready	Get myself ready for school without reminders	
Plan a meal	Read to somebody younger than me	
Play a board game	Tell somebody at home why I am grateful for them.	

Building character at school

Know 5 capital cities of the world	Take part in forest school	
Achieve Reader of the Week award	Receive the Kindness Lanyard and pass it on	
Name all 7 continents	I will represent Masefield at an out of school event	
Learn a Spanish song	Take part in a Rock Kidz concert	
Take part in a school competition	Name 5 different children's authors.	
Watch a production	Score 10/10 on my weekly spelling test	
Attend a whole school trip	Recommend a book to a friend	
Achieve the Lead Learner award	Know my 3, 4 and 8 times tables	
Visit a Temple	Design and sew my own bag in DT	
Visit Bolton Museum	Name 3 famous composers.	

WHY IS THIS IMPORTANT?

Each year, you will be issued with a 'Believe – Achieve – Succeed' character curriculum passport. Experiences are planned into the school curriculum as well as home learning. The experiences involve problem solving, research and most importantly life skills, which are all fundamental for pupil wellbeing.

Children are equipped with the skills and character to lead a successful life! Children will be encouraged to self-assess their competencies and their progress on this will be recorded in their passports. Academic achievement will increase as children will be more able to overcome difficulties and will value their education; behaviour will improve as children are more able to self-regulate and work with others and attendance will improve as families see the increased value of a healthy lifestyle and the importance of education.

SHARE YOUR SUCCESS

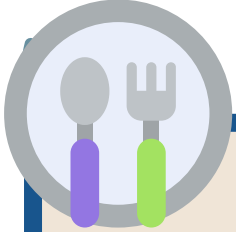

Don't forget to tick off your successes and share them with us on our social media sites, or send a ClassDojo message to your teacher!

7:30pm - 8:30pm

Dear parents,
Places are now available to join a new 12-week football course every Thursday at St James' High School, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is FUN through football; building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a ball per player for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Preston North End, Blackburn Rovers, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan.

The cost of the course is just £6.67 per week, which is payable in two instalments. The first payment of £30 is due when booking your child on and the second payment of £30 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

****NEW TOURNAMENT FORMAT****
Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including: Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.
