

Mr Done's thought of the week

To start - a huge thank for your generosity towards our harvest celebrations - it was brilliant to welcome Dave from Urban Outreach to speak to our children and families about the work they do in Bolton. Around school, children are continuing to improve their knowledge across the curriculum in an engaging and coherent manner - well done to all!

In other news, some new arrivals have been welcomed for teaching staff: a girl for myself and boys for Mrs Behan & Mrs Atkins.

We wish them love and happiness for the future.

Dog's Trust

On Thursday this week the children put on a dog stall and raffle to raise funds for Dogs Trust as part of their enrichment. They raised a fabulous total of £275!

A big thank you to Mrs Greenhalgh, Mrs Wood and all of the children involved for organising this and raising so much money for such a fantastic charity. Children are also invited to come to school in yellow/black clothes next Thursday in exchange for 50p to contribute towards school hopefully sponsoring a rescue dog!

You may have noticed our mini Scarecrows at the front of school, kindly made by our gardening enrichment group for the Little Lever Scarecrow Festival which is running from the 8th-17th of October. Please feel free to tweet us photographs of any other scarecrows you may spot around the village!

Enrichment

In Forest School the children were taught how to safely use secateurs.

They then put this knowledge along with their rope tying skills from previous lessons to good use and made swords, a bow and arrow and lots of other exciting creations!

Car Park

Please be reminded that bringing cars into school grounds is not permitted unless it has been authorised by Mr. Done. We are trying to reduce traffic coming through the car park which we share with Ladywood as it is becoming dangerous at the start and end of the school day.

Thank you for your support.

Morrison's

Masefield is still enrolled in Morrison's Good To Grow scheme. For every £10 you spend you'll get a GrowToken.

These can be exchanged for FREE gardening equipment for school!
