

It's been a wonderful start to the school term for all our pupils. Thank you for your support in ensuring pupils attend every day and are ready to learn in the correct uniform. Around school each classroom is bustling with engaged learners aspiring to improve their knowledge of new and previous units of work. I look forward to the year ahead working together in partnership to ensure all our pupils

'Believe, Achieve & Succeed'.

Our first term back has been filled with fun and learning lots of new skills!
