

FRIDAY 13TH MAY 2022

Mr. Done's thought of the week

This week our Year 6 pupils have completed their end of key stage two SATs. They've worked extremely hard on these and we are very proud of their attitude and motivation towards them!

It has been an action-packed start to the summer term; from drama workshops, new musical instruments, new clubs and knowledge days, our pupils have continued our drive to raise standards and learn a wide and varied curriculum. Don't forget to check our twitter for our daily learning experiences!

Thank you to those who have replied to the parent questionnaires. All responses are analysed and used as part of our school development plan next year. If you would like to discuss any other points, don't hesitate to contact me.
