

Mr. Done's thought of the week

It has been an excellent start to the summer term; children have returned ready to continue their learning.

Reception had their first assembly on Wednesday - it was wonderful to see all of the learning that has taken place over the Spring term.

Year 2 & 6 have been preparing for their upcoming SATs - we wish them good luck!

Thank you for your ongoing support.

Healthy School

As we are part of the Healthy Schools scheme we encourage children to bring healthy snacks for play times, for example fruit/yoghurt/cereal bars.

Crisps, chocolates and sweets should not be sent into school for break times.

Please also be mindful about ingredients of foods you are sending in as we are a nut free school.

Attendance

Please be reminded that if your child is absent from school the office must be notified before 9.30am.

Failure to do this will result in unauthorised mark being applied to the register which will affect your child's attendance record.

Thank you!

Fundraising enrichment have been lucky enough to have some very interesting visitors in school recently!

Katie from Canal River Trust came to talk about the importance of safety around open water and rivers and what to do in an emergency.

PC Gritto and PCSO Migas came to visit last week....
