

Dear Parents/Carers,

We have recently assessed your child in school and they are currently working within the

**30 months developmental milestones.**

In order to help your child progress to the next age milestone there are some ideas below of how you can help at home. We will be working on these in school with your child too.

Thank you.

The EYFS team

<p style="text-align: center;"><b>Communication and Language</b></p> <p>Work with your child to help them to learn the names of parts of their body. <p style="text-align: center;"><b>Physical</b></p> <p>Encourage your child to turn the pages of a book by themselves. They may turn more than one at a time to begin with.</p> <p>Encourage your child to climb the stairs with more confidence, putting two feet on one step at a time.</p>	<p style="text-align: center;"><b>Things you may need to complete these activities:</b></p> <p style="text-align: center;">Story books Picture books Chalks, felt tips, paint and paintbrushes Clothes Objects to name</p>
