### Project Tasks

#### Geography

In Geography, we will be researching South America, research the key issues facing the Amazon Rainforest today. Imagine you work for The Week Junior, write or type a newspaper report documenting the challenges local, national and international people and places face as a result of deforestation and the degradation of the rainforest. Research what can be done to support the preservation and rejuvenation of the rainforest. Incorporate pictures, diagrams and statistics into your report to illustrate all the key information. Things to think about: headline, sub-headings, sentence structures, vocabulary choice. Your audience is a Year 5/6 child.

#### Art (Textiles)

Research 'Molas' from Panama. Using textiles and sewing; aqua beads or sequins; paper or card; paint or computer-aided design produce a mola. In addition, write or type a short description of what they are and how you made yours.

#### Design and Technology

Brazil is well-known for its delicious food. Shop, prepare and cook one of these recipes for your family. Take pictures of you preparing the food and sharing a meal with your family. Give parents and carers a night off! [Brazilian recipes](#) | [BBC Good Food](#)

All projects (blue boxes) must be back in school for a celebration lesson in class on **Wednesday 9<sup>th</sup> February 2022**
