

## Happy Half Term!

### Mr. Done's thought of the week

What a wonderful summer term it has been!

We are so proud of all the pupils completing their statutory assessments this term and the amazing learning that has taken place across school.

This week we have been celebrating the Queen's Platinum Jubilee. Children have taken part in a range of activities to improve their knowledge of this event and this afternoon the whole school was treated to a 'Picnic in the Park' event with live music.

Thank you for your support this term and have a wonderful break.
