FRIDAY 21ST OCTOBER 2022

Mr. Done's thought of the week

To start - a huge thank for your generosity towards our harvest celebrations - it was brilliant to welcome Laura from Urban Outreach to speak to our children and families about the work they do in Bolton. Around school, children are continuing to improve their knowledge across the curriculum in an engaging manner - your children make us very proud! Thank you for all your support this half term; we look forward to continuing our journey of excellence after the break.

'Believe, Achieve & Succeed'.

Uniform Shop

As part of our efforts to become a more sustainable school we have been selling pre-loved uniform which has been a great success!

We have decided to add Christmas jumpers onto the shop from next term so if you have any pre-loved Christmas jumpers that no longer fit or you have no use for please feel free to send them into school.

Adult and children sizes welcome!

Art Showcase

On Wednesday we invited our parents and carers into school to show off our wonderful art work!

Masefield welcomed our newest member of the family last week... this is Teddy!

He will be spending lots of time in the Thrive nest with all of the children over the next term.

Keep checking our school Twitter to see what he gets up to!

Harvest Festival

The donations we received for our harvest festival were extremely generous this year as always and Urban Outreach were very grateful. Well done Masefield!

Bolton Wanderers Tickets

As we now work closely with Bolton Wanderers in the community we are lucky enough to have access to a limited number of free tickets to all Bolton home games.

These will be available on a first come first served basis and you will need to notify school of your interest at least 1 week before the match is due to take place. Please give the office a call if you would like to put your name down
