

## Mr. Done's thought of the week

Another week has flown by and as always, the children and staff have been really busy. Here at Masefield, we are passionate about provide an exceptional, innovative education that inspires and empowers our pupils, in every class, every day! We aim to develop confident, resilient, independent lifelong learners and this has been evident in all of the lessons I have visited this week. I am always blown away by the children's articulation about their learning. The children are always proud too!
