Academic			
Intent	Implementation	Cost	Impact
To raise attainment and progress for Year 6 pupils	Extra teacher in place every morning for Year 6 pupils. Allowing smaller classes for the teaching of English, Maths, SPAG and writing. (AD)	£7535	90% of pupils met the expected standard in Reading. This is above Bolton (70%) and National Average (73%). 81% of pupils met the expected standard in Writing. This is above Bolton (78%) and National Average (79%). 88% of pupils met the expected standard in SPAG. This is above Bolton (79%) and National Average (78%). 90% of pupils met the expected standard in Maths. This is above Bolton (78%) and National Average (79%). All children made more than expected progress in all areas. Evidence in lesson observations and book scrutinies showed consistently high quality teaching and learning taking place, which lead to a 'Good' Ofsted judgement in July 2019.
To raise attainment and progress for Year 6 pupils	Extra TA to support teaching, learning and small group work in Y6. (LH)	£7930	90% of pupils met the expected standard in Reading. This is above Bolton (70%) and National Average (73%). 81% of pupils met the expected standard in Writing. This is above Bolton (78%) and National Average (79%). 88% of pupils met the expected standard in SPAG. This is above Bolton (79%) and National Average (78%).

			<p>90% of pupils met the expected standard in Maths. This is above Bolton (78%) and National Average (79%). All children made more than expected progress in all areas.</p> <p>Evidence in lesson observations and book scrutinies showed consistently high quality teaching and learning taking place, which lead to a 'Good' Ofsted judgement in July 2019.</p>
To raise attainment and progress for Year 5 pupils	Extra teacher in place full time for Year 5 pupils. Allowing for smaller classes. (MY)	£10,772	<p>Summer Term data for Year 5 shows the following: Reading: 79% ARE, 100% expected progress, 90% more than expected progress. Writing: 52% ARE, 81% expected progress, 69% more than expected progress. Maths: 71% ARE, 98% expected progress, 90% more than expected progress.</p> <p>Evidence in lesson observations and book scrutinies showed consistently high quality teaching and learning taking place, which lead to a 'Good' Ofsted judgement in July 2019.</p>
To raise attainment and progress in spelling	Spelling Shed	£33	<p>88% of pupils met the expected standard in SPAG. This is above Bolton (79%) and National Average (78%). 50% of pupils exceeded the expected standard in SPAG. This is well above Bolton (38%) and National Average (36%).</p> <p>Evidence in lesson observations and book scrutinies showed consistently high quality teaching and learning taking place, which lead to a 'Good' Ofsted judgement in July 2019.</p>
To raise attainment in Phonics.	Renewal to Phonics Play	£33	<p>At the end of the Summer Term, 80% of Year 1 pupils met the required standard for Phonics. 93% of Year 2 pupils met the required standard.</p> <p>Evidence in lesson observations and book scrutinies showed consistently high quality teaching and learning taking place, which lead to a 'Good' Ofsted judgement in July 2019.</p>

To raise attainment in Phonics and maths.	Busy things subscription	£125	At the end of the Summer Term, 80% of Year 1 pupils met the required standard for Phonics. 93% of Year 2 pupils met the required standard. 78% of Y2 pupils achieved ARE for Maths. This is an increase on last year. 15% of Year 2 pupils exceeded ARE. Evidence in lesson observations and book scrutinies showed consistently high quality teaching and learning taking place, which lead to a 'Good' Ofsted judgement in July 2019.
To raise attainment and progress in writing	Literacy Shed		81% of pupils met the expected standard in Writing. This is above Bolton (78%) and National Average (79%).
To raise attainment and progress in maths	TT Rock Stars		Online resource for pupils to use in school and at home. This has increased engagement and allows for continual independent practice of times tables. Summer data shows at least 85% of pupils have made expected progress and 70% have made more than expected progress.

Speech, Language and Communication

Intent	Implementation	Cost	Impact
To improve speaking and listening	Talking Homework	£90	Speaking and listening is an integral part of the reading process. Each class has guided reading sessions every day. At the end of KS2, reading results were: 90% of pupils met the expected standard in Reading. This is above Bolton (70%) and National Average (73%) and also an increase on last year.

Social, Emotional and behaviour

Intent	Implementation	Cost	Impact
To support pupils emotional needs in order for them to access learning.	School accessed a school counsellor for identified pupils.	£450	This term 2 pupils have accessed the schools counselling service and evaluations show positive outcomes for all the pupils involved. The school counsellor knows the vulnerable pupils well and gives them strategies to cope in different situations.

			Sometimes it is necessary for some pupils to revisit the counsellor.
To increase attendance and punctuality for identified pupils.	Attendance prizes.	£100	Autumn-Summer Term 18-19 Attendance – 95.8% Autumn- Summer Term 17-18 Attendance – 95.8% Attendance figures remain the same, however careful monitoring has ensured that families with low attendance are appropriately supported. Pupils report that they are excited to receive the attendance prizes and that this encourages them to come to school.
To develop pupils social, communication, teamwork and resilience	Commando Joe School led programme	£575	Staff report that the sessions have enabled children to develop their resilience. Observations show that children are more willing to take risks and that they are able to communicate well with each other, through turn taking and listening to instructions. Pupils say that they enjoy the sessions as they are fun and have lots of exciting problems to solve.
To develop identified pupil's social skills at vulnerable times within the school day.	Additional TA support for pupils with social and emotional needs	£1316	Vulnerable pupils continue to work closely with their Key Worker (TA). There continues to be a reduction in incidents at the most vulnerable times of the school day.
To support identified pupils, families and school in managing and improving behaviour.	Behaviour Support SLA	£1167	2 x families are being supported with home visits and parents report that this is helping them to manage behaviour more effectively at home. The attendance of this child has also improved as a result of this support. 1 x family are also in receipt of bespoke Triple P training, which takes place in school. Behaviour support reported that the family were fully engaged and support had been put into practice at home, evidenced in home visits.
To support the school in assessing pupils correctly in order to access support services and improve provision for identified pupils.	Educational Psychology SLA	£880	1 child has been assessed this term. Meetings have also taken place with parents and a report has been written for the child's EHCP application. The application was submitted to the Local Authority in July 2019.

To increase Y5&Y6 responsibility	Peer Mentoring Training for Y5 & Y6 pupils	£1000	Peer Mentors have been trained in Y5 & Y6. Both groups have begun to support pupils at lunchtime and have taken their responsibilities seriously.
Enrichment Activities/Raising Aspiration			
Intent	Implementation	Cost	Impact
Identified pupils learning to play a musical instrument	Identified pupils learning to play the clarinet. Specialist teacher Mike McKend (Bolton Music Service)	£547	Pupils feel valued and increased self-worth. All pupils have developed in skills and levels. Pupils would not have been able to take part in this extra-curricular activity and develop their talent if the opportunity hadn't arisen at school. 28 pupils have engaged in instrument tuition. This has increased from the previous year.
All year 3 pupils learning to play the recorder	Mike McKend teaching all Year 3 pupils once a week to play the recorder.	£729	100% of Y3 pupils have achieved the Arts Award and have increased their musical skills. 20% of these pupils will move on to learning to play the clarinet next year.
To increase pupils' experiences, participation and vocabulary.	M&M Productions Oliver Twist	£899	The production was successful and children were attentive and engaged throughout. Many reported that they had not seen Oliver Twist before, or had experience of the Classic Novel.
To increase pupils' experiences, participation and vocabulary.	Rock Kidz Project	£400 6 x teachers	Children took part in the Rock Kidz project for a week. As part of the project they learned songs relating to self-esteem, respect and anti-bullying. As well as the PSHCE links, children experienced a Rock Concert, which was a new experience for many. The children also performed in their own Rock Concert at the local high school. This was well attended by parents and children. Children reported that this was a fantastic experience and they enjoyed the music as well as the messages about anti-bullying and respect. Parents commented on how engaging the project was and how their children had been excited to take part as well as share their learning.
Staff CPD to raise pupil achievement			
Intent	Implementation	Cost	Impact
To develop staff knowledge and	Twilight training session provided by Ladywood Outreach.	£527.54	Staff report that they have a deeper understanding of how to both identify and support children with a working

understanding of how to support children with Working Memory Difficulties.			memory difficulty. This has been evidenced through resources provided in class, as well as through differentiated teaching during lesson observations and book scrutinies. Identified children report that they feel they are supported and better able to access the curriculum.
Parental engagement and support			
Intent	Implementation	Cost	Impact
To support parents in their children's learning	After assembly workshops and information sessions on phonics, SATs and starting school.	£500	Parental surveys state that 95% of parents feel supported by the school and are equipped to support their children's learning.
To support parents with pupils who have been identified with SEND/Behaviour issues	A coffee morning to offer support for parents with children identified with additional needs. SENCO to attend and offer information and support.	£350	Parents reported that the Coffee Morning offered a network of support as it gave them an opportunity to speak to other parents of SEN children. Here they were able to share experiences and also offer each other advice. The SENCO was also able to share up to date information with parents regarding where they can get support from and how their children are currently supported in school. The success of the coffee mornings has ensured that they will continue to run next term.
To enable parents to contribute to the assessment and see their child's ongoing development and learning.	Tapestry.	£70.50	The majority of Nursery and Reception parents have activated their accounts. Parents share learning from home and report that they enjoy having regular access to their child's learning and development – particularly those parents who find it difficult to attend parent meetings/stay and play sessions or those that cannot regularly pick up/drop off due to work commitments. Parental feedback continues to be positive. This was evidenced during the recent Ofsted inspection (July 19) and lead to a 'Good' Ofsted judgement.
To celebrate pupils achievements with their parents.	Presentation Awards for Presentation afternoon and evening sessions.	£1000	Awards were presented for various aspects of the curriculum, not solely Maths and English. This gave an opportunity to celebrate a variety of achievements and enable parents to share in the successes of their children. Parents report being proud of what their

			children achieved as well as stating it was good to see the whole child being celebrated, focusing on progress and effort, not just attainment.
