

Mr. Done's thought of the week

It's been wonderful to walk around each class every day this week and see the amazing learning that is happening - the Masefield team work hard to ensure every child can 'Believe, Achieve and Succeed!'. Year 5 displayed their learning in this week's class assembly - thank you again for all the support from parents and carers. Outside, we have some new 'pupils' that ask you not to park on the yellow lines - thank you for your support with this ongoing safety issue.

Reminder

If your child is sent home in spare clothes that belong to school, please can they be returned as early as possible.

Year 6 had a lovely morning at the Sikh Temple on Tuesday. They learned lots of interesting facts about the Sikh religion.

Don't forget to follow us on Twitter to see what we get up to in school!

@MasefieldCP

This week you may have noticed our new additions to school! These have been placed to avoid any dangerous parking and to keep your children safe coming to and from school.

We ask that you do not move them or the cones that have been put out at any time.

Thank you!

School Council

In every newsletter we will be introducing a member of the school council.

This week is Noah in Year 4...

An interesting fact about Noah is that he likes to practise contortion!

Favourite colour:
Turquoise.

Favourite author:
Tom Fletcher.

Favourite day is Friday because of enrichment.

Favourite subjects are maths and art.

Funny Joke: What do you call a deer with no eyes? *No idea!*

Noah likes being on the school council because he gets to help make decisions around school.

Trips

If there is a trip booked for your child's class which you do not wish for them to attend, please contact the school.
