Character Curriculum Passport

Our character curriculum is at the core of what is important to us and we aim to provide a wide range of learning opportunities and experiences. It is our desire that children and their families value their learning and seize all and any opportunity wholeheartedly, therefore we aim to ensure the offer to learn is strong in every classroom.

We aim to develop our pupils' characters through the growth of relationships that define us as human. Through our curriculum, we develop a set of competencies (behaviours) which enable each and every one of our pupils to lead a remarkable life.

Believe – Achieve - Succeed

Each year, you will be issued with a 'Believe – Achieve – Succeed' character curriculum passport. Experiences are planned into the school curriculum as well as home learning. The experiences involve problem solving, research and most importantly life skills, which are all fundamental for pupil wellbeing.

Children are equipped with the skills and character to lead a Successful Life! Children will be encouraged to self-assess their competencies and their progress on this will be recorded in their passports. Academic achievement will increase as children will be more able to overcome difficulties and will value their education; behaviour will improve as children are more able to self-regulate and work with others and attendance will improve as families see the increased value of a healthy lifestyle and the importance of education.
