

Masefield News

FRIDAY 23RD APRIL 2021

Miss Yapp's thought of the week

I hope you have all been enjoying the lovely sunshine this week! The children have loved playing outside. There has been lots of super learning all over school. It's always a pleasure to visit each classroom and see how proud the children are of their achievements. Can I thank parents and carers for continuing to follow our one way system and wearing face coverings (unless exempt). This is so important in keeping us all safe. I hope you all have a restful weekend.

Diary Dates

Bank Holiday
(School closed)
Monday 3rd May

Voting day
(School closed)
Thursday 6th May

May Half Term
(Closed for 2 weeks)
School finishes Friday
21st May
School returns Monday
7th June

EYFS

Reception made some delicious Gingerbread men this week!

RED NOSE DAY

On Friday 19th March the children came to school in their own clothes and painted their noses red. Masefield raised a total of £231!

Thank you to everyone who contributed!

Music

Year 4 are learning a beautiful song called "Every inch of our planet is home".

They are really enjoying Music lessons with Mrs Marshall. We can't wait to see their final performance!

Nursery

We currently have nursery places for September 2021 available however these are limited and will be offered on a first come first serve basis.

If you would like to apply for the September 2021 intake or know anybody who would, please ring the office or come in and collect an application form.

Polite Reminder

Payments for hot snack must be sent into school by Thursday morning at 10am. Any monies received after this time will not be accepted for the following week's snack lists.
Thank you.

Year 3

Year 3 have been learning about extreme weathers including tsunamis, volcanoes, earthquakes and hurricanes. Freddie kindly brought a volcano set into school and we made the playground rumble and grumble when our very own Vesuvius erupted!
