

Rounders is an outdoor team sport played on a circular pitch. 2 teams take turns at batting and fielding. The aim is for the batters to hit the ball (thrown by the fielding team) and then run around a series of bases to score a 'run'. The fielding team aims to get the batter out by catching the ball, or forcing them out at a base.

To move in different ways.

To use an underarm throwing technique.

To try and find ways to win games.

To move into space.

To hit a ball.

To compete with others.
