Cadent

Your Gas Network

RE: NWGA250895, Tong Road, Little Lever.

Dear Sir/Madam,

Cadent will soon be working on the gas mains on Tong Road, Little Lever.

This work is part of a big investment programme to upgrade our older gas mains. This will help us keep you warm in your homes, with less impact on the environment - find out more at www.cadentgas.com/nw3

- **Our project will commence the week of the 13th of May 2024 for approximately 6 months.**
- We do not anticipate to be affecting customers gas supplies; if this changes we will be discussing this with customers affected individually.
- We will have 3-way and 4-way lights in place throughout the duration of the works. These will be located on Tong Road, Lancaster Drive, Holden Avenue, Turton Avenue, junction of Paramel Avenue, junction of Victory Road and the junction of Kershaw Avenue. The location of the traffic lights will change as the work progresses.
- Bus stops within the immediate vicinity of our works will be temporarily closed.
- We will also have a road closure in place on Dove Bank Road, Park Road and Radcliffe Road. This will be closed from around the 22nd of July, and this is a rolling road closure. Please see attached drawing which shows the diversion route.
- As with any traffic management, please plan your journey accordingly.

If you have any questions or concerns, please call us on **0800 090 3071** or email CustomerCareNW@cadentgas.com.

Please accept our sincere apologies for any inconvenience this work may cause, please rest assured we will endeavour to keep any disruption to a minimum.

Yours faithfully,

Your Cadent Customer Team
