Our Mission Statement

At Masefield we believe that all our children can achieve, becoming successful future citizens that contribute positively to a society in which all members are equally valued.

High aspirations, high motivation and high outcomes for all, ensure that achievement gaps wherever they exist are narrowed in order to improve pupils' life choices and future prospects.

We strive for all of our children to be safe, feel valued, develop resilience and continually learn within our nurturing and supportive community.

At Masefield, our children BELIEVE, ACHIEVE and SUCCEED!

Believe * Achieve * Succeed

At Masefield we continually strive for educational improvement and excellence and we thank parents for their valuable contributions in the summer term. As a result of parental feedback and our in-school evaluations we have developed our School Improvement Plan for next year.

Our priorities for this year are outlined below:

To secure increased rates of progress for all pupils across the curriculum.

To improve writing attainment and progress throughout the school.

To improve home learning by developing parental skills, confidence and knowledge on how to support their child

To improve the standards, achievement and progress for all pupils with the EYFS.

If you would like any further information, please speak to a member of staff who will be happy to discuss these with you.
