Dear Parents/Carers,

I am delighted to welcome you to a new academic year. I hope that you enjoyed a restful holiday and are looking forward to the year ahead.

Today our children joined their peers and new teachers in school. For some parents, I am sure they will feel apprehensive as their child joins the reception class – please rest assured that our Early Years staff will welcome your child, make them feel safe and do the very best that they can to support their development.

Events Overview – You will be sent an events overview for the academic year 2023-24. We hope this will enable more parents/carers to see their child's learning in action. This will be available on our website to view throughout the year.

Curriculum Overviews – on Friday, you will receive a curriculum overview for the Autumn 1 term along with Knowledge Organisers for each subject. These resources will support your child with their learning.

Medical Needs – as we start the new academic year, please inform the class teacher or office of any medical needs your child has. We are updating all records and want to ensure we have the correct information.

Uniform – please ensure all pupils return to school in their full school uniform including black shoes – no joggers or trainers. It's important we set high expectations for our pupils in all areas of school life. PE Kit must be in school or children cannot join in with PE lessons.

During the year, I will share updates with you via our newsletter and I am very much looking forward to our work together over the coming months and years.

Thanks you for your continued support,

Mr A Done
