Re: Year 6 Human Body Topic

Dear Parent/Carer,

As part of our Science topic looking at the human body, we will be focusing on the heart and circulatory system.

To help pupils gain a better understanding we would like to offer them a hands-on approach. As part of our lesson next week (W/C 8th September), Year 6 will have the chance to dissect an animal heart and lung.

If you have any objection to the above and **do not wish** your child to take part, please speak to your child's teacher.

Thank you for your attention.

Yours sincerely,

Miss Wilson
Year 6 Class Teacher
